To Whom It may Concern:

This is to introduce the bearer, Mr Leonard Pearson, who has been a member of "The Newark Eagles Baseball Club" for the past six years.

Due to the fact the season has come to a close, he is seeking employment. He has always been entirely trustworthy, dependable, and willing, and a real asset to the team.

I sincerely hope this letter will assist him in securing employment. I would like very much to see him placed, and am sure he will prove 100% satisfactory as an employee.

Very Truly Yours
